Boyup Brook

Shire of  
Dalwallinu  
Place of wheat and wattle

MAGIQ Software can announce the supply of its MAGIQ Cloud ERP to the following six Western Australian Councils:

- Shire of Boyup Brook
- Shire of Dalwallinu
- Shire of Mt Marshall
- Shire of Nungarin
- Shire of Perenjori
- Shire of West Arthur

Each Council will benefit from MAGIQ Software's fully integrated ERP solution which includes finance, regulatory, rates, payroll, human resources, online, budgeting, corporate reporting, and document management modules.

"The selection of the MAGIQ Cloud ERP by these Councils is a significant endorsement of MAGIQ Software's strategy to transition aging legacy on-premise ERP systems to a WA statutory-compliant, full Cloud deployment," said Tony Tiftis, MAGIQ Software's Chief Executive Officer.

"We have received positive feedback on our software's contemporary user interface, narrow project timeframe, along with our ability to securely migrate all legacy system data seamlessly.

"MAGIQ Software continues to cultivate its Public Sector footprint across Australia, New Zealand, and the United States with new customer acquisitions across all our solutions including the MAGIQ Cloud ERP, MAGIQ Performance and MAGIQ Documents. We welcome our new Customers and look forward to many years of positive engagement," said Tony.
